

## **Nomination for Club Awards**

Each year the Mt Barker Lutheran Netball Club presents two awards to people who are nominated by members of the club.

These awards are presented at the Presentation Day/Night. The recipients will also be announced via email and Facebook after the presentation event.

The two awards and their criteria are:

### Pastor's Award

The Pastor's Award is awarded to a current player of the Club (can be either a junior or senior player). The recipient is often seen to be actively involved within the club and a good all round team player who shows respect to the coach and actively supports the coach.

### Service Award

The Service Award is awarded to a Club member who has worked hard to provide service to the Club (does not need to be a player).

We invite you to nominate a worthy recipient for either award by outlining the roles, characteristics or qualities that you have observed the nominee displaying.

Please email your nominations to an Executive Committee Member.

The Executive Committee will meet to review the nominations and a recipient for each award will be selected.

The Committee thanks you in advance for taking the time to place a nomination. Such awards allow the Club to acknowledge people who represent the Club well and work hard for the betterment of the Club.
